CONGRATULATIONS

You have just made a smart consumer decision to protect yourself from the future cost of repairing your new product by purchasing a RepairMaster Furniture Service Plan (the "Plan"). This Plan is an agreement between the Administrator/Obligor, Warrantech Consumer Product Services, Inc. (WCPS), 2200 Highway 121, Bedford, TX 76021, and you, the purchaser. However, if you are a resident of **California, Maine, Missouri or New Jersey**, this Plan is an agreement between the Obligor/Provider of this Plan, the retailer, and you, the purchaser. If you are a resident of **Florida**, this Plan is an agreement between the Administrator, WCPS of Florida, Inc. (WCPS) (License #80202), 2200 Highway 121, Bedford, TX 76021 and the Provider, Technology Insurance Company (License #03605) 59 Maiden Lane, 6th Floor, New York, New York, 10038, and you, the purchaser.

To validate this Plan, visit our web site at www.myrepairmaster.com. Registrations must be received within 10 days of product purchase to validate this Plan and to ensure coverage. A copy of your proof of product purchase may be required at the time of service. The administrator cannot register your product for this Plan if you do not complete the registration. The administrator reserves the right to reject a registration and will refund the purchase price through the retailer.

Please keep this document in a safe place along with the sales receipt you received when you purchased your product. The sales receipt may be required at the time of service. It will serve as a valuable reference guide and will help you determine what is covered by the Plan. As the Administrator, WCPS will assist you in understanding your warranty and Plan benefits from the day you purchased your Plan.

PRODUCT ELIGIBILITY, COVERAGE AND TERM

This Plan applies to fabric, leather and vinyl upholstery, mattresses, and wood and other hard surface furniture purchased as new and manufactured for use in the United States, which at the time of purchase included a manufacturer's original written warranty valid in the United States. In order to be eligible for the Plan, the manufacturer's original written warranty must provide at least 90 days parts and labor coverage. This Plan covers defects (flaw or deficiency that may affect the use for which the product is intended) in material or workmanship unless otherwise stated in the Exclusions from Coverage section of this document. This Plan applies only to products purchased for normal indoor household use and not for resale or commercial use, which includes rental, business, and institutional or other non-residential use. Accessories and/or add-on options purchased separately and not essential to the basic function of the covered product are not eligible for coverage. There is no deductible under this Plan. This Plan is not transferable. This Plan is not renewable.

This Plan begins on the date of product purchase and will provide service to the original purchaser for covered furniture a total of 3-Years or 5-Years, as noted on the sales receipt, from the date of delivery. If, under the terms listed below, an item becomes accidentally stained or damaged during normal residential use, a professional technician will service the problem at no cost to you. If the covered stain or damage cannot be resolved, the Administrator, at its discretion, will replace the affected portion or the complete

item(s). Replacement items will be the same as or similar to the original item purchased, provided the price of the replacement does not exceed the original product purchase price. One time replacement of your furniture meets the full liability under this Plan. The replacement furniture is not eligible for coverage under this Plan. Replacement of a part or piece of furniture ends Plan coverage on that part or piece. Any furniture originally covered by the plan and not replaced will remain under coverage for the remaining term of the Plan. The Administrator will not replace or provide compensation for pieces of furniture that do not match the replacement items. Any replaced furniture becomes the property of the Administrator. This Plan does not cover pickup, maintenance inspections, crating or delivery or freight charges.

Replacement parts or furniture will be ordered from the retailer from which you originally purchased your furniture. If the retailer is not able to replace the item originally purchased or provide a satisfactory substitute item, you will be given a refund of the purchase price of this Plan in lieu of replacement of your furniture and your Plan will terminate.

IF YOUR PRODUCT NEEDS REPAIR/CLEANING

- ❖ In the event that a repair and/or cleaning of the covered product is needed, you are required to call 1-800-342-5349 (available 24 hours a day) to obtain authorization prior to having repairs/cleaning made. For faster service, please have your dated proof of product purchase (sales receipt that details the retailer, the purchase date, the delivery date, the plan purchased, the items covered by the plan and their purchase cost) available when you call. If the product is still covered by a manufacturer's warranty, you may be directed to call the manufacturer prior to being referred to a service center. All repairs/cleanings must be approved before they are performed.
- ❖ Service will be provided during normal business hours.
- ❖ Do not return the covered product to your retailer unless so instructed by the Administrator.
- ❖ When you receive authorization for repairs, the service representative will direct you to a designated service center.
- ❖ If your Plan expires during the time of an approved repair or replacement, this Plan is extended until the repair or replacement has been completed.
- ❖ If your product is covered under another valid service contract and/or insurance policy, this Plan will provide coverage over and above the other service contract and/or insurance policy.

FURNITURE CARE TIPS

- ❖ Rearrange furniture occasionally to ensure even use of the cushions and wear areas.
- ❖ Arrange furniture so it is not placed in front of or over heating or air conditioning vents or directly under windows.
- ❖ Loose cushions should be reversed, flipped and fluffed weekly to allow for even wear. Vacuuming with your brush attachment is also helpful.
- ❖ Caution those wearing clothing with transferable dyes, such as blue jeans, that the dye could transfer onto light colored fabric.
- ❖ Protect fabrics from sun. Ultraviolet light (sunlight) will cause fiber degeneration and color-fade.
- ❖ Fabrics should not be placed in direct sunlight, as this may cause fading. Occasionally, dyes even fade from impurities in the air.
- ❖ Keep pets off the furniture. Pet urine and pet body oils can be difficult to remove.
- ❖ Use proper care with structural weave fabrics (design created by weave) to protect against snags.
- ❖ Pilling is normal for many fabrics when they shed excess fiber. A fabric shaver can remove unwanted pills.
- ❖ Never drag or push furniture. You should always lift your furniture to avoid damage to the furniture and floors.
- ❖ Dust frequently. Use a quality furniture polish and polish once a month.
- ❖ Clean up spills immediately. Use a blotting action rather than a wiping action.
- ❖ Use pads, cloth or felt to protect the furniture surface from plastic, rubber, hot dishes, beverages, bookends, flowerpots and vases.
- ❖ Occasionally rotate accessories so they do not remain in the same spot for extended periods.

- ❖ Lift objects. Do not drag them across surfaces.
- ❖ Use a protective pad when using your furniture as a writing surface (especially when using a ballpoint pen).
- ❖ Rotate your mattress frequently.
